Dear Mr. Pinion,

Thank you so much for the wonderful time you help provide for us on the Alabama Legislative Club Tour. This was my first visit to northwest Alabama and all of you certainly made me want to go back.

Our visit to the your area was certainly a pleasure. There were so many interesting and unusual places to visit. Although our visit was brief, we really enjoy our short time at the Jesse Owens Memorial Park. Your area really has something to be excited about in honoring such a great athlete and Alabamian. Thank you again for all you did to make our trip enjoyable.

Thanks again for all you did. If you are ever in south Alabama, please give us a call. We would certainly like to repay your hospitality.

Sincerely,

Beverly B. Seibenhener
